Summary

I am a driven and ambitious Junior Computer Science student with a technical background, seeking an IT Business Analyst intern role to gain hands-on experience in analyzing requirements, communicating with stakeholders, and delivering practical solutions to drive business values. My goal is to become a middle-level IT Business Analyst within the next three years.

Education

Computer Science, Bachelor of Science (B.S.)

09/2021 – (Expected) 12/2024

University of Information Technology

CPA: 8.89/10.0

Projects

GreenDots

07/2023 – 10/2023

- Co-created the idea for GreenDots, a geolocation-based platform to promote recycling.
- Collaborated with **a team of 4 members** to ideate, design the prototype with Figma, create the server, and contribute to front-end tasks for the AI-Tool feature.
- Utilized technologies such as Typescript, ReactJS, NodeJS, ExpressJS, and MySQL to create an innovative solution that empowered users to locate nearby recycling centers and leveraged an AI-powered tool for trash detection and recognition, promoting recycling awareness and habits.
- Achieved recognition as a **top 14 finalist** in the esteemed <Code> Like A Girl 2023 competition held by GeoComply.

Deposit Management App

03/2023 – 06/2023

- Worked as a **team leader in a group of 5 individuals** and **database developer** in the development of a web application using technologies such as ExpressJS, NodeJS, and SQL Server that adheres to the CRUD (Create, Read, Update, Delete) operations.
- Managed the team using the waterfall methodologies, fostering collaboration, and ensuring clear problem definition.
- Received an A+ for the SE104, Introduction to Software Engineering course.

Skills

- Technical skills:
 - Programming languages: Python, JavaScript, SQL
 - Frameworks: Tensorflow, ReactJS, ExpressJS, Django
 - Additional skills: HTML, CSS, Artificial Intelligence, Image Processing
- Business skills:
 - English (IELTS 7.0)
 - Tools: drawio, Figma, Notion, Word, Excel

Certificates

IELTS 7.0

Issued by: British Council

Issued date: 21/03/2023

Microsoft Office Specialist (Word, PowerPoint, Excel)

Issued by: IIG Vietnam

Issued date: 09/08/2022
